## General terms

---

### 1 Benefit and burden of deed

#### 1.1 Capital Note Holders bound

- (a) Each Capital Note Holder (and any person claiming through or under a Capital Note Holder) is bound by, and is taken to have notice of, this deed (including, for the avoidance of doubt, the Capital Notes Terms).
- (b) It is a fundamental condition of receiving any of the rights or benefits under a Capital Note that a Capital Note Holder must perform all of the obligations and comply with all restrictions and limitations applicable to it under this deed (including, for the avoidance of doubt, the Capital Notes Terms) in respect of the Capital Note.

#### 1.2 Limit on Capital Note Holders' rights

All of the rights against the Issuer in connection with the Capital Notes are held by the Trustee for the Capital Note Holders. Accordingly, subject to clause 1.4:

- (a) no Capital Note Holder is entitled to directly enforce any rights, powers or remedies in connection with the Capital Notes directly against the Issuer; and
- (b) the rights, powers and remedies of the Trustee under and in respect of this deed and the Capital Notes are exercisable and enforceable by the Trustee only. No Capital Note Holder may exercise any rights, powers and remedies of the Trustee (whether in its own name or the Trustee's name).

#### 1.3 Enforcement on direction

Subject to this deed and to section 283DA(h) of the Corporations Act, the Trustee must take action to enforce this deed in accordance with its terms (including, for the avoidance of doubt, the Capital Notes Terms) where all the following conditions are met and is not required to act in accordance with any direction from the Capital Note Holders or any of them unless:

- (a) the Trustee has been directed to take action by a Special Resolution of Capital Note Holders or so requested in writing by the Capital Note Holders holding Capital Notes representing at least 15% of the aggregate Issue Price of all Capital Notes then outstanding; and
- (b) the Trustee is indemnified to its reasonable satisfaction against:
  - (i) all actions, proceedings, claims and demands to which the Trustee may render itself liable by taking such action;
  - (ii) all Costs which the Trustee may incur in taking the action; and
  - (iii) all management time spent by employees or officers of the Trustee in relation to such action which will be charged at the Trustee's standard hourly rates prevailing from time to time

provided that such rates have been notified to the Issuer in writing; and

- (c) the action is permitted under this deed.

#### **1.4 Capital Note Holder's right to take action**

No Capital Note Holder is entitled to proceed directly against the Issuer to enforce any right or remedy under or in respect of any Capital Note or this deed unless the Trustee, having become bound to proceed, fails to do so within 14 days and such failure is continuing, in which case any Capital Note Holder may itself institute proceedings against the Issuer for the relevant remedy to the same extent (but not further or otherwise) that the Trustee would have been entitled to do so.

#### **1.5 Untraceable Capital Note Holders**

Subject to applicable law and the ASX Listing Rules, where the Issuer:

- (a) is required to pay any monies to a Capital Note Holder; and
- (b) has made reasonable efforts to locate a Capital Note Holder but is unable to do so;

then those monies:

- (i) must be paid by the Trustee to the Issuer, if the Trustee has actual possession and control of such moneys; and
- (ii) are to be held by the Issuer and dealt with in accordance with clause 16.4 of the Capital Notes Terms.

The Trustee is not liable to any Capital Note Holder for any moneys paid to the Issuer under this clause 1.5. The Issuer indemnifies the Trustee from any and all costs, losses, liabilities, expenses, demands or claims suffered or incurred by the Trustee in respect of any moneys paid to the Issuer under this clause 1.5.

The appointment as trustee does not mean that the Trustee:

- (a) is a trustee for the benefit of;

- (c) has a fiduciary duty to, or other fiduciary relationship with,

any Capital Note Holder, the Issuer or any other person, except as provided in this deed.

  - (ii) the breach has been remedied within the time specified in this deed,

and, where the waiver may cause the Capital Notes to cease to be eligible for inclusion as Additional Tier 1 Capital of the IAG Level 2 Insurance Group, only if the prior written approval of APRA has been obtained. The Trustee is entitled to accept an Officer's Certificate delivered to it by the Issuer and attaching evidence that APRA's approval is not required, or if required has been obtained from APRA, as conclusive evidence that the APRA approval of the waiver is not required, or if required has been obtained.

- (d) **(Dealings with the Issuer)** The Trustee and its Related Bodies Corporate may, without being liable to account to the Issuer or any Capital Note Holder:

  - (iii) deal in any capacity with the Issuer or any of its Related Bodies Corporate or associates; or

#### **4.5 Trustee's undertakings**

The Trustee must:

- (a) exercise its duties under Chapter 2L of the Corporations Act;
- (b) act honestly and in good faith and comply with all laws in performing its duties and in the exercise of its discretions under this deed;

- (e) The Issuer and the Capital Note Holders agree that no act or omission of the Trustee (including any related failure to satisfy any Trustee Liabilities) will be considered a Trustee Default for the purposes of clause 7.1(d) to the extent to which the act or omission was caused or contributed to by any failure of the Issuer or a Capital Note Holder to fulfil their obligations relating to the Trust or by any other act or omission of that person or by the non-performance of any other person of any of their obligations under or in respect of this deed.

A provision of any part of this deed (other than the Capital Notes Terms) which is inconsistent with a provision of the Capital Notes Terms does not operate to the extent of the inconsistency.

## Schedule 2 – Capital Notes Terms

---

### **1 Capital Notes**

#### **1.1 Constitution under Trust Deed**

Capital Notes are perpetual, convertible, subordinated debt obligations in the form of unsecured notes issued by Insurance Australia Group Limited (**IAG**), constituted by, and owing under, the Trust Deed. They are issued, and may be Redeemed, Converted or Resold, according to these Capital Notes Terms.

#### **1.2 Form**

The Capital Notes are in registered form and are issued by entry in the Register.

#### **1.3 Issue Price**

The Capital Notes have a denomination and issue price of A\$100 (**Issue Price**) and are issued fully paid.

#### **1.4 CHESS**

The Capital Notes will be entered into and dealt with in CHESS. For so long as the Capital Notes remain in CHESS, the rights of a person holding an interest in the Capital Notes are subject to the ASX Settlement Operating Rules but this shall not affect any term which would cause the Capital Notes to cease to be eligible for inclusion as Additional Tier 1 Capital.

#### **1.5 ASX quotation**

IAG must use all reasonable endeavours to ensure the Capital Notes are, and until Redeemed, Converted, Resold or Written-Off remain, quoted on ASX.

---

### **2 Status and ranking**

#### **2.1 Status and ranking**

The Capital Notes constitute direct and unsecured subordinated obligations of IAG, ranking for payment of the Redemption Price in a winding-up of IAG:

- (a) in priority to Ordinary Shares;
- (b) equally among themselves and with all Equal Ranking Instruments; and
- (c) behind claims of Senior Ranking Creditors.

#### **2.2 No guarantee, not policies under Insurance Act**

The Capital Notes are not:

- (a) policy liabilities of any IAG or any Related Entity of IAG for the purposes of the Insurance Act;

- (b) protected policies for the purposes of the Financial Claims Scheme established under Part VC of the Insurance Act; or
- (c) guaranteed or insured by any government, government agency or compensation scheme of Australia or any other jurisdiction or by any other party.

### 2.3 Unsecured notes

The Capital Notes are unsecured notes for the purposes of section 283BH of the Corporations Act.

---

## 3 Distributions

### 3.1 Distributions

Subject to these Capital Notes Terms, IAG will pay interest on each Capital Note in arrears on the relevant Distribution Payment Date (a **Distribution**) calculated according to the following formula:

$$\text{Distribution} = \frac{\text{Distribution Rate} \times \$100 \times N}{365}$$

where:

**Distribution Rate** (expressed as a percentage per annum) is calculated according to the following formula:

$$\text{Distribution Rate} = (\text{Bank Bill Rate} + \text{Margin}) \times (1 - T)$$

where:

**Bank Bill Rate** (expressed as a percentage per annum) means, for a Distribution Period, the rate for prime bank eligible securities having a tenor of 3 months, which is designated as the “AVG MID” on the Reuters Screen BBSW Page (or any page which replaces that page) at approximately 10:15am, Sydney time (or such other time at which such rate customarily appears on that page) on the relevant day (**Publication Time**), on the first Business Day of the Distribution Period. However, if such rate does not appear on the Reuters Screen BBSW Page (or any page which replaces that page) by 10.30am, Sydney time, on that day (or such other time that is 15 minutes after the then prevailing Publication Time), or if it does appear but IAG determines that there is an obvious error in that rate, “Bank Bill Rate” means the rate determined by IAG having regard to comparable indices then available;

**Margin** (expressed as a percentage per annum) means the margin determined under the Bookbuild;

**T** (expressed as a decimal) means the Australian corporate tax rate applicable to the franking account of IAG as at the relevant Distribution Payment Date; and

**N** means in respect of:

- (a) the first Distribution Payment Date, the number of days from (and including) the Issue Date until (but not including) the first Distribution Payment Date; and
- (b) each subsequent Distribution Payment Date, the number of days from (and including) the preceding Distribution Payment Date until (but not including) the relevant Distribution Payment Date.

### 3.2 Franking adjustments

If any Distribution is not franked to 100% under Part 3-6 of the Tax Act (or any provisions that revise or replace that Part), the Distribution will be calculated according to the following formula:

$$\text{Distribution} = \frac{D}{1 - [T \times (1 - F)]}$$

where:

**D** means the Distribution calculated under clause 3.1;

**T** has the meaning given in clause 3.1; and

**F** means the applicable Franking Rate.

### 3.3 Payment of a Distribution

Each Distribution is subject to:

- (a) IAG's absolute discretion; and
- (b) no Payment Condition existing in respect of the relevant Distribution Payment Date.

### 3.4 Distributions are non-cumulative

Distributions are non-cumulative. If all or any part of a Distribution is not paid because of clause 3.3 or because of any applicable law, IAG has no liability to pay the unpaid amount of the Distribution and Capital Note Holders have no claim or entitlement in respect of such non-payment and such non-payment does not constitute an event of default. No interest accrues on any unpaid Distributions and Capital Note Holders have no claim or entitlement in respect of interest on any unpaid Distributions.

### 3.5 Distribution Payment Dates

Subject to this clause 3, Distributions in respect of a Capital Note will be payable in arrears on the following dates (each a **Distribution Payment Date**):

- (a) each 15 March, 15 June, 15 September and 15 December commencing on 15 March 2017 until (but not including) the date on which a Redemption or Conversion of that Capital Note occurs in accordance with these Capital Notes Terms; and
- (b) each date on which an Exchange of that Capital Note occurs, other than a Conversion on a Trigger Event Date, in each case in accordance with these Capital Notes Terms.

If a Distribution Payment Date is a day which is not a Business Day, then the Distribution Payment Date will be the next day which is a Business Day.

### 3.6 Record Dates

A Distribution is only payable on a Distribution Payment Date to those persons registered as Capital Note Holders on the Record Date for that Distribution.

### 3.7 Restrictions in the case of non-payment

If for any reason a Distribution has not been paid in full on a Distribution Payment Date (the **Relevant Distribution Payment Date**), IAG must not, without approval of a Special Resolution, until and including the next Distribution Payment Date:

- (a) declare or determine to pay or pay an Ordinary Share Dividend; or
- (b) undertake any Buy-Back or Capital Reduction,

unless the Distribution is paid in full within 3 Business Days of the Relevant Distribution Payment Date.

### 3.8 Exclusions from restrictions in case of non-payment

The restrictions in clause 3.7 do not apply to:

- (a) Buy-Backs or Capital Reductions in connection with any employment contract, employee share scheme, performance rights plan, benefit plan or other similar arrangement with or for the benefit of any one or more employees, officers, directors or consultants of IAG or any Controlled Entity; or
- (b) the payment of an Ordinary Share Dividend or completion of a Buy-Back or Capital Reduction which IAG had become legally obliged to pay or complete at the time that the Distribution was not paid.

Nothing in these Capital Notes Terms prohibits IAG or a Controlled Entity from purchasing IAG Shares (or an interest therein) in connection with transactions for the account of customers of IAG or customers of its Controlled Entities or in connection with the distribution or trading of IAG Shares in the ordinary course of business. This includes (for the avoidance of doubt and without affecting the foregoing) any acquisition resulting from acting as trustee for another person where neither IAG nor any Controlled Entity has a beneficial interest in the trust (other than a beneficial interest that arises from a security given for the purposes of a transaction entered into in the ordinary course of business).

## 4 Mandatory Conversion

### 4.1 Mandatory Conversion

Subject to clause 5, clause 6 and clause 7, on the Mandatory Conversion Date IAG must Convert all (but not some) Capital Notes on issue at that date into Ordinary Shares in accordance with clause 8 and this clause 4.

### 4.2 Mandatory Conversion Date

The **Mandatory Conversion Date** will be the earlier of:

- (a) 16 June 2025 (the **Scheduled Mandatory Conversion Date**); and
- (b) the first Distribution Payment Date after the Scheduled Mandatory Conversion Date (a **Subsequent Mandatory Conversion Date**),

(each a **Relevant Date**) on which the Mandatory Conversion Conditions are satisfied.

### 4.3 Mandatory Conversion Conditions

The Mandatory Conversion Conditions for each Relevant Date are:

- (a) the VWAP on the 25th Business Day immediately preceding (but not including) the Relevant Date (the **First Test Date**, provided that if no trading in Ordinary Shares took place on that date, the First Test Date is the first Business Day before the 25th Business Day immediately preceding (but not including) the Relevant Date on which trading in Ordinary Shares took place) is greater than the First Test Date Percentage of the Issue Date VWAP (the **First Mandatory Conversion Condition**);
- (b) the VWAP during the period of 20 Business Days on which trading in Ordinary Shares took place immediately preceding (but not including) the Relevant Date (the **Second Test Period**) is greater than the Conversion Test Date Percentage of the Issue Date VWAP (the **Second Mandatory Conversion Condition**); and
- (c) no Delisting Event applies in respect of the Relevant Date (the **Third Mandatory Conversion Condition** and together with the First Mandatory Conversion Condition and the Second Mandatory Conversion Condition, the **Mandatory Conversion Conditions**).

In this clause 4.3:

$$\text{Conversion Test Date Percentage} = 101.01\% \times \text{Relevant Percentage}$$

$$\text{First Test Date Percentage} = 115\% \times \text{Relevant Percentage}$$

#### 4.4 Non-Conversion Notices

If:

- (a) the First Mandatory Conversion Condition is not satisfied in relation to a Relevant Date, IAG will give notice to the Trustee and Capital Note Holders between the 25th and the 21st Business Day before the Relevant Date; or
- (b) the Second Mandatory Conversion Condition or the Third Mandatory Conversion Condition is not satisfied in relation to a Relevant Date, IAG will give notice to the Trustee and Capital Note Holders on or as soon as practicable after the Relevant Date,

(each such notice a **Non-Conversion Notice**) that Mandatory Conversion will not (or, as the case may be, did not) occur on the Relevant Date.

## 5 Optional Exchange by IAG

### 5.1 Optional Exchange by IAG

IAG may, with APRA's prior written approval, by notice to the Trustee and Capital Note Holders (an **Exchange Notice**) elect:

- (a) to Exchange all or some Capital Notes on an Exchange Date following the occurrence of a Tax Event or a Regulatory Event;
- (b) to Exchange all or some Capital Notes on the Optional Exchange Date;  
or
- (c) to Convert all (but not some only) Capital Notes on an Exchange Date following the occurrence of a Potential Acquisition Event.

An Exchange Notice under this clause 5:

- (i) cannot be given in the period of 20 Business Days preceding (and not including) the Mandatory Conversion Date where the First Mandatory Conversion Condition has been met in respect of that Mandatory Conversion Date; and
- (ii) once given is irrevocable.

## 5.2 Contents of Exchange Notice

An Exchange Notice must specify:

- (a) where Exchange is on account of a Tax Event, Regulatory Event or Potential Acquisition Event, the details of the Tax Event, Regulatory Event or Potential Acquisition Event to which the Exchange Notice relates;
- (b) the date on which Exchange is to occur (the **Exchange Date**), which:
  - (i) in the case of Exchange on account of a Tax Event or a Regulatory Event, will be the last Business Day of the month following the month in which the Exchange Notice was given by IAG unless IAG determines an earlier Exchange Date having regard to the best interests of Capital Note Holders as a whole and the relevant event; or
  - (ii) in the case of an Exchange on the Optional Exchange Date, is that date, which date must fall:
    - (A) no earlier than:
      - (aa) 25 Business Days, where the Exchange Method elected is, or includes, Conversion; or
      - (ab) 15 Business Days, where the Exchange Method is Redemption or Resale, and
    - (B) in any case no later than 50 Business Days,  
after the date on which the Exchange Notice is given;
  - (iii) in the case of a Potential Acquisition Event, is the Business Day prior to the date reasonably determined by IAG to be the last date on which holders of Ordinary Shares can participate in the bid or scheme concerned or such other earlier date as IAG may reasonably determine having regard to the timing for implementation of the bid or scheme concerned, or such later date as APRA may require;
- (c) the Exchange Method in accordance with clause 5.3;
- (d) if less than all outstanding Capital Notes are subject to Exchange, which Capital Notes are subject to Exchange;
- (e) whether any Distribution will be paid on the Exchange Date; and
- (f) if the Exchange Notice specifies that any Capital Notes are to be Resold, the identity of the Nominated Purchaser or Nominated Purchasers for that Resale.

### 5.3 Exchange Method

(a) If IAG elects to Exchange Capital Notes in accordance with clause 5.1, it must, subject to clause 5.3(b) and clause 5.4 and subject to APRA's prior written approval, elect which of the following (or which combination of the following) it intends to do in respect of Capital Notes (the **Exchange Method**):

- (i) Convert Capital Notes into Ordinary Shares in accordance with clause 8;
- (ii) Redeem Capital Notes in accordance with clause 9; or
- (iii) Resell Capital Notes in accordance with clause 10.

***Capital Note Holders should not assume that APRA's approval will be given for any Exchange of Capital Notes under the Capital Notes Terms.***

(b) The Exchange Method must not be Redemption:

- (i) in the case of a Potential Acquisition Event; and
- (ii) in the case of a Tax Event, Regulatory Event or Optional Exchange Date, unless either:
  - (A) the Capital Notes the subject of the Exchange are replaced concurrently or beforehand with Tier 1 Capital of the same or better quality and the replacement of the Capital Notes is done under conditions that are sustainable for IAG's income capacity; or
  - (B) APRA is satisfied that, having regard to the capital position of the IAG Level 2 Insurance Group, IAG does not have to replace the Capital Notes the subject of the Redemption.

(c) If IAG issues an Exchange Notice to Exchange only some Capital Notes, subject to clause 5.3(d) IAG must endeavour to treat Capital Note Holders on an approximately proportionate basis, but may discriminate to take account of the effect on marketable parcels and other logistical considerations.

(d) In selecting a combination of Exchange Methods where all or some Capital Notes are being Exchanged IAG may, subject to this clause 5:

- (i) select either Exchange Method or a combination of Exchange Methods to apply to the Capital Notes held by a Capital Note Holder; and
- (ii) a different Exchange Method or a combination of Exchange Methods to apply to Capital Notes held by different Capital Note Holders,

but nothing in this clause entitles a Capital Note Holder to determine the Exchange Method.

### 5.4 Restrictions on election by IAG of Conversion as Exchange Method

IAG may not elect Conversion as the Exchange Method in respect of an Exchange under this clause 5 if:

- (a) on the second Business Day before the date on which an Exchange Notice is to be sent by IAG (or, if trading in Ordinary Shares did not occur on that date, the last Business Day prior to that date on which trading in Ordinary Shares occurred) (the **Non-Conversion Test Date**) the VWAP on that date is less than or equal to the First Test Date Percentage of the Issue Date VWAP (the **First Optional Conversion Restriction**); or
- (b) a Delisting Event applies in respect of the Non-Conversion Test Date (the **Second Optional Conversion Restriction** and together with the First Optional Conversion Restriction, the **Optional Conversion Restrictions**).

## 5.5 Conditions to Conversion occurring once elected by IAG

If IAG has given an Exchange Notice in which it has elected Conversion as the Exchange Method but, if the Exchange Date were a Relevant Date for the purposes of clause 4, either the Second Mandatory Conversion Condition or the Third Mandatory Conversion Condition would not be satisfied in respect of that date (tested on the basis that the Relevant Percentage is 20%), then, notwithstanding any other provision of these Capital Notes Terms:

- (a) the Exchange Date will be deferred until the first Distribution Payment Date on which the Mandatory Conversion Conditions would be satisfied if that Distribution Payment Date were a Relevant Date for the purposes of clause 4 (the **Deferred Conversion Date**);
- (b) IAG must Convert the Capital Notes on the Deferred Conversion Date (unless the Capital Notes are Exchanged earlier in accordance with these Capital Notes Terms); and
- (c) until the Deferred Conversion Date, all rights attaching to the Capital Notes will continue as if the Exchange Notice had not been given.

IAG will notify the Trustee and Capital Note Holders on or as soon as practicable after an Exchange Date in respect of which this clause 5.5 applies that Conversion did not occur on that Exchange Date (a **Deferred Conversion Notice**).

---

## 6 Non-Viability Conversion

### 6.1 Non-Viability Trigger Event

A **Non-Viability Trigger Event** means the earlier of:

- (a) the issuance to IAG of a written determination from APRA that conversion or write-off of Relevant Securities is necessary because, without it, APRA considers that IAG would become non-viable; or
- (b) a determination by APRA, notified to IAG in writing, that without a public sector injection of capital, or equivalent support, IAG would become non-viable,

(such determination a **Non-Viability Determination**).

### 6.2 Conversion on Trigger Event Date

If a Non-Viability Trigger Event occurs:

- (a) on the Trigger Event Date, subject only to clause 6.4, such number of Capital Notes will immediately Convert as is required by the Non-Viability Determination, provided that:
- (i) where such Non-Viability Determination is made on the grounds that, without a public sector injection of capital or equivalent support, IAG would become non-viable, all Capital Notes must be Converted; and
  - (ii) where clause 6.2(a)(i) does not apply and such Non-Viability Determination does not require all Relevant Securities to be converted or written-off, such number of Capital Notes shall Convert as is sufficient (determined by IAG in accordance with clause 6.2(b)) to satisfy APRA that IAG is viable without further conversion or write-off;
- (b) in determining the number of Capital Notes which must be Converted in accordance with this clause, IAG will:
- (i) first, convert into Ordinary Shares or write-off Relevant Securities whose terms require or permit them to be converted into Ordinary Shares or written-off before Conversion of Capital Notes; and
  - (ii) secondly, if conversion into Ordinary Shares or write-off of the Relevant Securities described in clause 6.2(b)(i) is not sufficient to satisfy the requirements of clause 6.2(a):
    - (A) Convert Capital Notes; and
    - (B) convert into Ordinary Shares or write-off other Relevant Securities,
- in each case on an approximately pro-rata basis or in a manner that is otherwise, in the opinion of IAG, fair and reasonable (subject to such adjustment as IAG may determine to take into account the effect on marketable parcels and the need to round to whole numbers the number of Ordinary Shares and any Capital Notes or other Relevant Securities remaining on issue) and, for the purposes of this clause 6.2(b)(ii), where the specified currency of the principal amount of Relevant Securities is not the same for all Relevant Securities, IAG may treat them as if converted into a single currency of IAG's choice at such rate of exchange for each such currency as, in each case, IAG in good faith considers reasonable,
- provided that such determination does not impede the immediate Conversion of the relevant number of Capital Notes;
- (c) on the Trigger Event Date IAG must determine the Capital Note Holders whose Capital Notes will be Converted at the time on that date that the Conversion is to take effect and in making that determination may make any decisions with respect to the identity of the Capital Note Holders at that time and date as may be necessary or desirable to ensure Conversion occurs immediately in an orderly manner, including disregarding any transfers of Capital Notes that have not been settled or registered at that time and provided that such determination does not impede the immediate Conversion of the relevant number of Capital Notes;

- (d) IAG must give notice of that event (a **Trigger Event Notice**) as soon as practicable to the Trustee and Capital Note Holders, which notice must specify:
  - (i) the Trigger Event Date;
  - (ii) the number of Capital Notes Converted; and
  - (iii) the relevant number of other Relevant Securities converted or written-off;
- (e) none of the following events shall prevent, impede or delay the Conversion of Capital Notes as required by clause 6.2(a):
  - (i) any failure or delay in the conversion or write-off of other Relevant Securities;
  - (ii) any failure or delay in giving a Trigger Event Notice;
  - (iii) any failure or delay in quotation of Ordinary Shares to be issued on Conversion;
  - (iv) any decision as to the identity of Capital Note Holders whose Capital Notes are to be Converted; and
  - (v) any requirement to select the number of Capital Notes to be Converted in accordance with clause 6.2(b)(ii) or 6.2(c); and
- (f) from the Trigger Event Date, subject to clause 6.4 and clause 12.1, IAG, the Trustee and the Registrar shall treat the Capital Note Holder of any Capital Note which is required to be Converted as the holder of the relevant number of Ordinary Shares and will take all such steps, including updating any register, required to record the Conversion.

A Non-Viability Determination takes effect, and IAG must perform the obligations in respect of the determination, immediately on the day it is received by IAG, whether or not such day is a Business Day.

### **6.3 Priority of Conversion obligations**

- (a) Conversion on account of the occurrence of a Non-Viability Trigger Event is not subject to the matters described in clause 4.3 as Mandatory Conversion Conditions.
- (b) A Conversion required on account of a Non-Viability Trigger Event takes place on the date, and in the manner, required by clause 6.2, notwithstanding anything in clauses 4, 5 or 7.
- (c) Where Capital Notes are required to be Converted, if Conversion has not been effected within 5 Business Days after the relevant Trigger Event Date for any reason (including an Inability Event), Conversion of those Capital Notes on account of the Non-Viability Trigger Event will not occur and those Capital Notes shall be Written-Off in accordance with clause 6.4 and the provisions of clauses 6.2(b), 6.2(c) and 6.2(d) shall apply in respect of that Write-Off and those Capital Notes as if each reference in those clauses to "Conversion" or "Convert" were a reference to "Write-Off".

## 6.4 Write-Off

Notwithstanding clause 17.1, if Conversion has not been effected within 5 Business Days after the relevant Trigger Event Date for any reason (including an Inability Event), each Capital Note which, but for clause 6.3(c) and this clause 6.4, would be Converted, will be Written-Off with effect on and from the Trigger Event Date.

In this clause 6.4, **Written-Off** means that, in respect of a Capital Note and a Trigger Event Date:

- (a) the Capital Note will not be Converted on that date and will not be Converted, Redeemed or Resold under these Capital Notes Terms on any subsequent date; and
- (b) the relevant Capital Note Holders' rights (including to payment of Distributions and Redemption Price) in relation to such Capital Note are immediately and irrevocably terminated and written off,

and **Write-Off** has a corresponding meaning.

---

## 7 Early Conversion on Acquisition Event

### 7.1 Notice of Acquisition Event

IAG must notify the Trustee and Capital Note Holders of the occurrence of an Acquisition Event as soon as practicable after becoming aware of that event (an **Acquisition Event Notice**).

### 7.2 Conversion on occurrence of Acquisition Event

If an Acquisition Event occurs, IAG must give notice to the Trustee and Capital Note Holders (an **Acquisition Conversion Notice**) and Convert all (but not some only) Capital Notes on the Acquisition Conversion Date in accordance with this clause 7 and clause 8 or clause 9 (as the case may be).

### 7.3 Contents of Acquisition Conversion Notice

An Acquisition Conversion Notice must specify:

- (a) the details of the Acquisition Event to which the Acquisition Conversion Notice relates;
- (b) the date on which Conversion is to occur (the **Acquisition Conversion Date**), which must be the Business Day prior to the date reasonably determined by IAG to be the last date on which holders of Ordinary Shares can participate in the bid or scheme concerned or such other earlier date as IAG may reasonably determine having regard to the timing for implementation of the bid or scheme concerned, or such later date as APRA may require; and
- (c) whether any Distribution will be paid on the Acquisition Conversion Date.

### 7.4 Where Acquisition Conversion Notice not required

Notwithstanding any other provision of clause 7.2 or clause 7.3, if:

- (a) on the second Business Day before the date on which an Acquisition Conversion Notice is to be sent by IAG (or, if trading in Ordinary Shares did not occur on that date, the last Business Day prior to that date on

which trading in Ordinary Shares occurred) (the **Acquisition Non-Conversion Test Date**) the VWAP on that date is less than or equal to the First Test Date Percentage of the Issue Date VWAP (the **First Acquisition Conversion Restriction**); or

- (b) a Delisting Event applies in respect of the Acquisition Non-Conversion Test Date (the **Second Acquisition Conversion Restriction** and together with the First Acquisition Conversion Restriction, the **Acquisition Conversion Restrictions**),

IAG is not required to give an Acquisition Conversion Notice and the provisions of clause 7.5 will apply.

## 7.5 Deferred Conversion on Acquisition Event

If clause 7.4 applies or, if the Acquisition Conversion Date were a Relevant Date for the purposes of clause 4, the Second Mandatory Conversion Condition or the Third Mandatory Conversion Condition would not be satisfied in respect of that date (tested on the basis that the Relevant Percentage is 20%), then, notwithstanding any other provision of these Capital Notes Terms (but without limitation to the operation of clause 6.3):

- (a) the Acquisition Conversion Notice, if given, is taken to be revoked and Conversion will not occur on the Acquisition Conversion Date specified in the Acquisition Conversion Notice;
- (b) IAG will notify the Trustee and Capital Note Holders as soon as practicable that Conversion will not (or, as the case may be, did not) occur (a **Deferred Acquisition Conversion Notice**); and
- (c) IAG must, unless clause 7.4 then applies, give an Acquisition Conversion Notice (or, as the case may be, a new Acquisition Conversion Notice) on or before the 25th Business Day prior to the immediately succeeding Distribution Payment Date which is at least 25 Business Days after the date on which the Deferred Acquisition Conversion Notice was given.

The Acquisition Conversion Notice given in accordance with paragraph (c) above must otherwise comply with clause 7.3.

If this clause 7.5 applies but:

- (i) clause 7.4 applies in respect of the Distribution Payment Date such that no Acquisition Conversion Notice (or, as the case may be, no new Acquisition Conversion Notice) is given under this clause 7.5; or
- (ii) an Acquisition Conversion Notice (or, as the case may be, a new Acquisition Conversion Notice) is given under this clause 7.5 but, if the Acquisition Conversion Date specified in the Acquisition Conversion Notice were a Relevant Date for the purpose of clause 4, either the Second Mandatory Conversion Condition or the Third Mandatory Conversion Condition would not be satisfied in respect of that date (tested on the basis that the Relevant Percentage is 20%),

then this clause 7.5 will be reapplied in respect of each subsequent Distribution Payment Date until a Conversion occurs.

---

## 8 Conversion mechanics

### 8.1 Conversion

If IAG elects to Convert Capital Notes or must Convert Capital Notes in accordance with these Capital Notes Terms, subject to the remainder of this clause 8, the following provisions apply:

- (a) IAG will allot and issue on the Mandatory Conversion Date, the Trigger Event Date, the Exchange Date or the Acquisition Conversion Date (as the case may be) a number of Ordinary Shares in respect of each Capital Note held by the Capital Note Holder equal to the Conversion Number, where the **Conversion Number** is a number calculated according to the following formula (subject always to the Conversion Number being no more than the Maximum Conversion Number):

$$\text{Conversion Number} = \frac{\text{Issue Price}}{99\% \times \text{VWAP}}$$

where:

**VWAP** (expressed in dollars and cents) means the VWAP during the VWAP Period,

and where the **Maximum Conversion Number** means a number calculated according to the following formula:

$$\begin{aligned} &\text{Maximum Conversion Number} \\ &= \frac{\text{Issue Price}}{(\text{Issue Date VWAP} \times \text{Relevant Percentage})} \end{aligned}$$

where:

**Relevant Percentage** means:

- (i) if Conversion is occurring on a Mandatory Conversion Date, 50%; and
- (ii) if Conversion is occurring at any other time, 20%;
- (b) each Capital Note Holder's rights (including to payment of Redemption Price and Distributions other than the Distribution, if any, payable on a date (other than a Trigger Event Date) on which Conversion is required to occur) in relation to each Capital Note that is being Converted will be immediately and irrevocably terminated in full for an amount equal to the Issue Price of that Capital Note and IAG will apply that amount by way of payment for subscription for the Ordinary Shares to be allotted and issued under clause 8.1(a). Each Capital Note Holder is taken to have irrevocably directed that any amount payable under this clause 8.1 is to be applied as provided for in this clause 8.1 and no Capital Note Holder has any right to payment in any other way;
- (c) if the total number of Ordinary Shares to be allotted and issued to a Capital Note Holder in respect of that Capital Note Holder's aggregate holding of Capital Notes upon Conversion includes a fraction of an Ordinary Share, that fraction of an Ordinary Share will be disregarded; and
- (d) the rights attaching to Ordinary Shares issued as a result of Conversion do not take effect until 5.00pm (Sydney time) on the Mandatory Conversion Date, the Exchange Date or the Acquisition Conversion Date

(as the case may be) or, in the case of Conversion on the Trigger Event Date, the time at which such Conversion occurs on that date.

## 8.2 Adjustments to VWAP generally

For the purposes of calculating the VWAP in these Capital Notes Terms:

- (a) where, on some or all of the Business Days in the relevant VWAP Period, Ordinary Shares have been quoted on ASX as cum dividend or cum any other distribution or entitlement and Capital Notes will Convert into Ordinary Shares after the date those Ordinary Shares no longer carry that dividend or any other distribution or entitlement, then the VWAP on the Business Days on which those Ordinary Shares have been quoted cum dividend or cum any other distribution or entitlement shall be reduced by an amount (**Cum Value**) equal to:
- (i) (in case of a dividend or other distribution), the amount of that dividend or other distribution including, if the dividend or other distribution is franked, the amount referable to the franking credit that would be included in the assessable income of a recipient of the dividend or other distribution who is both a resident of Australia and a natural person under the Tax Act;
  - (ii) (in the case of any entitlement that is not a dividend or other distribution for which an adjustment is made under clause 8.2(a)(i) which is traded on ASX on any of those Business Days), the volume weighted average sale price of all such entitlements sold on ASX during the VWAP Period on the Business Days on which those entitlements were traded; or
  - (iii) (in the case of any other entitlement which is not traded on ASX during the VWAP Period), the value of the entitlement as reasonably determined by IAG; and
- (b) where, on some or all of the Business Days in the VWAP Period, Ordinary Shares have been quoted on ASX as ex dividend or ex any other distribution or entitlement, and Capital Notes will Convert into Ordinary Shares which would be entitled to receive the relevant dividend or other distribution or entitlement, the VWAP on the Business Days on which those Ordinary Shares have been quoted ex dividend or ex any other distribution or entitlement shall be increased by the Cum Value.

## 8.3 Adjustments to VWAP for divisions and similar transactions

- (a) Where during the relevant VWAP Period there is a change in the number of the Ordinary Shares on issue as a result of a division, consolidation or reclassification of IAG's share capital (not involving any cash payment or other distribution (or consideration) to or by Ordinary Shareholders) (a **Reorganisation**), in calculating the VWAP for that VWAP Period the daily VWAP applicable on each day in the relevant VWAP Period which falls before the date on which trading in Ordinary Shares is conducted on a post Reorganisation basis shall be adjusted by the following formula:

$$\frac{A}{B}$$

where:

**A** means the aggregate number of Ordinary Shares immediately before the Reorganisation; and

**B** means the aggregate number of Ordinary Shares immediately after the Reorganisation.

- (b) Any adjustment made by IAG in accordance with clause 8.3(a) will be effective and binding on Capital Note Holders under these Capital Notes Terms and these Capital Notes Terms will be construed accordingly. Any such adjustment must be promptly notified to all Capital Note Holders.

#### 8.4 Adjustments to Issue Date VWAP generally

For the purposes of determining the Issue Date VWAP, adjustments to VWAP will be made in accordance with clause 8.2 and clause 8.3 during the VWAP Period for the Issue Date VWAP. On and from the Issue Date, adjustments to the Issue Date VWAP:

- (a) may be made in accordance with clauses 8.5 to 8.7 (inclusive); and
- (b) if so made, will correspondingly affect the application of the Mandatory Conversion Conditions, the Optional Conversion Restrictions and the Acquisition Conversion Restrictions, and cause an adjustment to the Maximum Conversion Number.

#### 8.5 Adjustments to Issue Date VWAP for bonus issues

- (a) Subject to clauses 8.5(b) and 8.5(c), if IAG makes a pro rata bonus issue of Ordinary Shares to holders of Ordinary Shares generally, the Issue Date VWAP will be adjusted immediately in accordance with the following formula:

$$V = V_0 \times \frac{RD}{RD + RN}$$

where:

**V** means the Issue Date VWAP applying immediately after the application of this formula;

**V<sub>0</sub>** means the Issue Date VWAP applying immediately prior to the application of this formula;

**RN** means the number of Ordinary Shares issued pursuant to the bonus issue; and

**RD** means the number of Ordinary Shares on issue immediately prior to the allotment of new Ordinary Shares pursuant to the bonus issue.

- (b) For the avoidance of doubt, clause 8.5(a) does not apply to Ordinary Shares issued as part of a bonus share plan, employee or executive share plan, executive option plan, share top up plan, share purchase plan or a dividend reinvestment plan.
- (c) For the purpose of clause 8.5(a), an issue will be regarded as a pro rata issue notwithstanding that IAG does not make offers to some or all holders of Ordinary Shares with registered addresses outside Australia, provided that in so doing IAG is not in contravention of the ASX Listing Rules.
- (d) No adjustments to the Issue Date VWAP will be made under this clause 8.5 for any offer of Ordinary Shares not covered by clause 8.5(a), including a rights issue or other essentially pro rata issue.

- (e) The fact that no adjustment is made for an issue of Ordinary Shares except as covered by clause 8.5(a) shall not in any way restrict IAG from issuing Ordinary Shares at any time on such terms as it sees fit nor be taken to constitute a modification or variation of rights or privileges of Capital Note Holders or otherwise requiring any consent or concurrence of any Capital Note Holders.

## **8.6 Adjustment to Issue Date VWAP for divisions and similar transactions**

- (a) If at any time after the Issue Date there is a change in the number of Ordinary Shares on issue as a result of a Reorganisation, IAG shall adjust the Issue Date VWAP by multiplying the Issue Date VWAP applicable on the Business Day immediately before the date of any such Reorganisation by the following formula:

$$\frac{A}{B}$$

where:

**A** means the aggregate number of Ordinary Shares immediately before the Reorganisation; and

**B** means the aggregate number of Ordinary Shares immediately after the Reorganisation.

- (b) Any adjustment made by IAG in accordance with clause 8.6(a) will be effective and binding on Capital Note Holders under these Capital Notes Terms and these Capital Notes Terms will be construed accordingly.
- (c) Any such adjustment must be promptly notified to all Capital Note Holders.
- (d) Each Capital Note Holder acknowledges that IAG may consolidate, divide or reclassify securities so that there is a lesser or greater number of Ordinary Shares at any time in its absolute discretion without any such action constituting a modification or variation of rights or privileges of Capital Note Holders or otherwise requiring any consent or concurrence of any Capital Note Holders.

## **8.7 No adjustment to Issue Date VWAP in certain circumstances**

Despite the provisions of clauses 8.5 and 8.6, no adjustment shall be made to the Issue Date VWAP where such adjustment (rounded if applicable) would be less than one percent of the Issue Date VWAP then in effect.

## **8.8 Announcement of adjustments**

IAG will notify the Trustee and Capital Note Holders (an **Adjustment Notice**) of any adjustment to the Issue Date VWAP under this clause 8 within 10 Business Days of IAG determining the adjustment and the adjustment set out in the announcement will be final and binding.

## **8.9 Ordinary Shares**

Each Ordinary Share issued upon Conversion ranks pari passu with all other fully paid Ordinary Shares.

## 8.10 Listing of Ordinary Shares issued on Conversion

IAG shall use all reasonable endeavours to list the Ordinary Shares issued upon Conversion of the Capital Notes on ASX.

## 8.11 Foreign Capital Note Holders

Where Capital Notes held by a Foreign Capital Note Holder are to be Converted, unless IAG is satisfied that the laws of the Foreign Capital Note Holder's country of residence permit the issue of Ordinary Shares to the Foreign Capital Note Holder (but as to which IAG is not bound to enquire), either unconditionally or after compliance with conditions which IAG in its absolute discretion regards as acceptable and not unduly onerous, the Ordinary Shares which the Foreign Capital Note Holder is obliged to accept will, subject to clause 6.4, be issued to a nominee (which may not be IAG or a Related Entity of IAG) who will sell those Ordinary Shares and pay a cash amount equal to the net proceeds received, after deducting any applicable brokerage, stamp duty and other taxes and charges, to the Foreign Capital Note Holder.

## 8.12 FATCA withholding

Where a FATCA Withholding is required to be made in respect of Ordinary Shares issued on Conversion of Capital Notes, or where IAG has reasonable grounds to suspect that a FATCA Withholding would be required to be made in respect of Ordinary Shares issued on Conversion of Capital Notes, the Ordinary Shares which the Capital Note Holder is obliged to accept will be issued to the Capital Note Holder of the Capital Note only to the extent (if at all) that the issue is net of FATCA Withholding and IAG will issue the balance of the Ordinary Shares (if any) to a nominee (which may not be IAG or a Related Entity of IAG) who will sell those Ordinary Shares, deal with any proceeds of their disposal in accordance with FATCA and pay a cash amount equal to the net proceeds received, after deducting any applicable brokerage, stamp duty and other taxes and charges, net of any FATCA Withholding, to the Capital Note Holder.

# 9 Redemption mechanics

## 9.1 Redemption mechanics to apply to Redemption

If, subject to APRA's prior written approval and compliance with clause 5.3(b), IAG elects to Redeem Capital Notes in accordance with these Capital Notes Terms, the provisions of this clause 9 apply to that Redemption.

***Capital Note Holders should not assume that APRA's approval will be given for any Redemption of Capital Notes under the Capital Notes Terms.***

## 9.2 Redemption

- (a) Capital Notes will be Redeemed by payment on the Exchange Date of an amount equal to the Issue Price (the **Redemption Price**) to the Capital Note Holder.
- (b) Redemption may occur even if IAG, in its absolute discretion, does not pay a Distribution for the final (or any other) Distribution Period.

## 9.3 Effect of Redemption on Capital Note Holders

On the Exchange Date the only right Capital Note Holders will have in respect of Capital Notes will be to obtain the Redemption Price payable in accordance with these Capital Notes Terms and upon payment of the Redemption Price, all other

rights conferred, or restrictions imposed, by Capital Notes will no longer have effect.

---

## **10 Resale mechanics**

### **10.1 Resale mechanics to apply to Resale**

If, subject to APRA's prior written approval, IAG elects to Resell Capital Notes in accordance with these Capital Notes Terms, the provisions of this clause 10 apply to that Resale.

### **10.2 Appointment of Nominated Purchaser**

- (a) IAG must appoint one or more Nominated Purchasers for the Resale on terms agreed between IAG and the Nominated Purchasers. If IAG appoints more than one Nominated Purchaser for a Resale, all or any of the Capital Notes held by a Capital Note Holder which are being Resold may be purchased by one or a combination of the Nominated Purchasers, as determined by IAG, for the Resale Price.
- (b) The obligation of a Nominated Purchaser to pay the Resale Price on the Exchange Date may be subject to such conditions as IAG may reasonably determine.

### **10.3 Identity of Nominated Purchasers**

IAG may not appoint a person as a Nominated Purchaser unless that person:

- (a) has agreed to acquire each Capital Note the subject of the Resale from each relevant Capital Note Holder for the Resale Price on the Exchange Date (which agreement may be on such terms and subject to such conditions as IAG reasonably determines);
- (b) has a long-term counterparty credit rating from one of Standard & Poor's, Moody's or Fitch of not less than investment grade, and
- (c) is not IAG or a Related Entity of IAG.

### **10.4 Irrevocable offer to sell Capital Notes**

On the Exchange Date, each relevant Capital Note Holder is taken irrevocably to offer to sell the Capital Notes the subject of a Resale to the Nominated Purchaser or Nominated Purchasers on the Exchange Date for the Resale Price.

### **10.5 Effect of resale**

Subject to payment by the Nominated Purchaser of the Resale Price to the relevant Capital Note Holders, on the Exchange Date all right, title and interest in the Capital Notes the subject of the Resale (excluding the right to any Distribution payable on that date) will be transferred to the Nominated Purchaser free from Encumbrances.

### **10.6 Effect of failure by Nominated Purchaser or Nominated Purchasers to pay**

If a Nominated Purchaser does not pay the Resale Price to the relevant Capital Note Holders on the Exchange Date (a **Defaulting Nominated Purchaser**) (whether as a result of a condition to purchase not being satisfied or otherwise):

- (a) the Exchange Notice as it relates to the Defaulting Nominated Purchaser will be void;
- (b) Capital Notes will not be transferred to the Defaulting Nominated Purchaser on the Exchange Date; and
- (c) Capital Notes Holders will continue to hold the Capital Notes referable to the Defaulting Nominated Purchaser until they are otherwise Redeemed, Converted or Resold in accordance with these Capital Notes Terms.

## 10.7 Payment of resale price

Clause 16 applies to payment of the Resale Price as if a reference in that clause to the Redemption Price includes a reference to the Resale Price.

# 11 Capital Notes general rights

## 11.1 Power of attorney

- (a) Each Capital Note Holder appoints each of IAG, its officers and any External Administrator of IAG (each an **Attorney**) severally to be the attorney of the Capital Note Holder with power in the name and on behalf of the Capital Note Holder to sign all documents and transfers and do any other thing as may in the Attorney's opinion be necessary or desirable to be done in order for the Capital Note Holder to observe or perform the Capital Note Holder's obligations under these Capital Notes Terms including, but not limited to, accepting any buy-back offer, effecting any transfers of Capital Notes or making any entry in the Register or exercising any voting power in relation to any consent or approval required for Conversion, Redemption or Resale.
- (b) The power of attorney given in this clause 11.1 is given for valuable consideration and to secure the performance by the Capital Note Holder of the Capital Note Holder's obligations under these Capital Notes Terms and is irrevocable.

## 11.2 Capital Note Holder acknowledgments

Each Capital Note Holder irrevocably:

- (a) upon Conversion of a Capital Note in accordance with clause 8, consents to becoming a member of IAG and agrees to be bound by the Constitution, in each case in respect of the Ordinary Shares issued on Conversion;
- (b) acknowledges and agrees that it is obliged to accept Ordinary Shares upon a Conversion notwithstanding anything that might otherwise affect a Conversion of Capital Notes including:
  - (i) any change in the financial position of IAG or any Related Entity of IAG since the Issue Date;
  - (ii) any disruption to the market or potential market for the Ordinary Shares or to capital markets generally; or
  - (iii) any breach by IAG of any obligation in connection with Capital Notes;

- (c) without limiting IAG's obligations under clause 8.10, acknowledges and agrees that Ordinary Shares issued on Conversion in connection with a Non-Viability Trigger Event may not be quoted on ASX at the time of issue, or at all;
- (d) acknowledges and agrees that:
  - (i) where clause 6.2 applies, there are no other conditions to a Non-Viability Conversion occurring as and when provided in clauses 6.1 to 6.3 (inclusive);
  - (ii) the only conditions to a Mandatory Conversion are the Mandatory Conversion Conditions;
  - (iii) the only conditions to a Conversion on account of an Exchange under clause 5 or clause 7 are the conditions expressly applicable to such Conversion as provided in clauses 5 and 7 of these Capital Notes Terms and no other conditions or events will affect Conversion; and
  - (iv) clause 6.4 is a fundamental term of these Capital Notes Terms and, where clause 6.4 applies, no other conditions or events will affect the operation of that clause;
- (e) agrees to provide to IAG any information necessary to give effect to a Conversion and, if applicable, to surrender any certificate relating to the Capital Note on the occurrence of the Conversion;
- (f) acknowledges and agrees that IAG may from time to time, without the consent of any Capital Note Holder:
  - (i) issue any securities ranking equally with the Capital Notes (on the same terms or otherwise) or ranking in priority or junior to the Capital Notes;
  - (ii) redeem, buy back, return capital on or convert any securities other than Capital Notes at any time except where expressly prevented from doing so under clause 3.7;
  - (iii) subject to APRA's prior written consent, purchase or procure the purchase of Capital Notes from Capital Note Holders at any time and at any price. Any Capital Note purchased by or on behalf of IAG shall be cancelled; and
  - (iv) incur or guarantee any indebtedness upon such terms as it may think fit in its sole discretion; and
- (g) acknowledges and agrees that:
  - (i) a Capital Note Holder has no right to request an Exchange;
  - (ii) a Capital Note Holder has no right to apply for IAG to be wound up, or placed in administration, or to cause a receiver, or a receiver and manager, to be appointed in respect of IAG merely on the grounds that IAG does not pay a Distribution when scheduled in respect of Capital Notes;
  - (iii) these Capital Notes Terms contain no events of default. Accordingly (but without limitation) failure to pay in full, for any reason, a Distribution on the scheduled Distribution Payment Date will not constitute an event of default; and

- (iv) a Capital Note Holder has no remedies on account of a failure by IAG to issue Ordinary Shares on Conversion in accordance with clause 8 other than (and subject always to clause 6.3 and clause 6.4) to seek specific performance of the obligation to issue the Ordinary Shares.

---

## **12 Voting rights and meetings**

### **12.1 No voting rights**

Prior to Conversion, Capital Note Holders will not be entitled to vote at or attend any general meeting of IAG.

### **12.2 No other rights**

The Capital Notes confer no rights on a Capital Note Holder:

- (a) to subscribe for new securities or to participate in any bonus issues of securities of IAG; or
- (b) to otherwise participate in the profits or property of IAG,

except as expressly set out in these Capital Notes Terms or the Trust Deed.

### **12.3 Meetings of the Capital Note Holders**

The Trust Deed contains provisions for convening meetings of the Capital Note Holders to consider any matter affecting their interests including certain variations of these Capital Notes Terms which require the consent of the Capital Note Holders.

---

## **13 Takeovers and schemes of arrangement**

If:

- (a) a takeover bid is made for Ordinary Shares, acceptance of which is recommended by the Directors; or
- (b) the Directors recommend a scheme of arrangement in respect of the Ordinary Shares of IAG which will result in a person other than IAG having a relevant interest in more than 50% of the Ordinary Shares,

in each case which would result in an Acquisition Event or Potential Acquisition Event then, if the Directors consider that IAG will not be permitted to elect to Convert the Capital Notes in accordance with clause 5 or clause 7 or the Second Mandatory Conversion Condition or the Third Mandatory Conversion Condition will not be satisfied in respect of the Acquisition Conversion Date in accordance with clause 7, the Directors will use all reasonable endeavours to procure that equivalent takeover offers are made to Capital Note Holders or that they are entitled to participate in the scheme of arrangement or a similar transaction.

---

## **14 Title and transfer of Capital Notes**

### **14.1 Title**

Title to Capital Notes passes when details of the transfer are entered in the Register.

## 14.2 Effect of entries in Register

Each entry in the Register in respect of a Capital Note constitutes:

- (a) a separate and independent acknowledgment to the relevant Capital Note Holder of the obligations of IAG to the relevant Capital Note Holder; and
- (b) conclusive evidence that the person so entered is the absolute owner of the Capital Note subject to correction for fraud or error.

## 14.3 Non-recognition of interests

- (a) Except as required by law, IAG, the Trustee and the Registrar must treat the person whose name is entered in the Register as the Capital Note Holder of a Capital Note as the absolute owner of that Capital Note. This clause 14.3 applies whether or not payment has not been made as scheduled in respect of a Capital Note and despite any notice of ownership, trust or interest in the Capital Note.
- (b) No notice of any trust, Encumbrance or other interest in, or claim to any Capital Note will be entered in the Register.

## 14.4 Joint Capital Note Holders

Where two or more persons are entered in the Register as the joint Capital Note Holders of a Capital Note then they are taken to hold the Capital Note as joint tenants with rights of survivorship, but the Registrar is not bound to register more than three persons as joint Capital Note Holders of any Capital Note.

## 14.5 Transfers in whole

Capital Notes may be transferred in whole but not in part.

## 14.6 Transfer

- (a) A Capital Note Holder may transfer a Capital Note:
  - (i) while the Capital Note is lodged in CHESS, in accordance with the ASX Settlement Operating Rules;
  - (ii) at any other time:
    - (A) by a proper transfer under any other computerised or electronic system recognised by the Corporations Act; or
    - (B) by any proper or sufficient instrument of transfer of marketable securities under applicable law.
- (b) The Registrar must register a transfer of a Capital Note to or by a person who is entitled to make or receive the transfer as a consequence of:
  - (i) death, bankruptcy, liquidation, mental incapacity or winding-up of a Capital Note Holder; or
  - (ii) a vesting order by a court or other body with power to make the order on receiving the evidence that the Registrar or IAG requires.

#### **14.7 Market obligations**

IAG must comply with all Applicable Regulations and any other relevant obligations imposed on it in relation to the transfer of a Capital Note.

#### **14.8 IAG may request a holding lock or refuse to register a transfer**

If Capital Notes are quoted on ASX, and if permitted to do so by the ASX Listing Rules and the Corporations Act, IAG may:

- (a) request the operator of CHESS or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Capital Notes approved by and registered on the operator's electronic sub-register or Capital Notes registered on an issuer-sponsored sub-register, as the case may be; or
- (b) refuse to register a transfer of Capital Notes.

#### **14.9 IAG must request a holding lock or refuse to register a transfer**

- (a) IAG must request the operator of CHESS or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Capital Notes approved by and registered on the operator's electronic sub-register or Capital Notes registered on an issuer-sponsored sub-register, as the case may be, if the Corporations Act, the ASX Listing Rules or the terms of a Restriction Agreement require IAG to do so.
- (b) IAG must refuse to register any transfer of Capital Notes if the Corporations Act, the ASX Listing Rules or the terms of a Restriction Agreement require IAG to do so, and may only refuse to register a transfer if such transfer would contravene or is forbidden by Applicable Regulation or these Capital Notes Terms.
- (c) During a breach of the ASX Listing Rules relating to Restricted Securities, or a breach of a Restriction Agreement, the Capital Note Holder of the Restricted Securities is not entitled to any interest (or other distribution on), or voting rights in respect of, the Restricted Securities.

#### **14.10 Notice of holding locks and refusal to register transfer**

If, in the exercise of its rights under clauses 14.8 and 14.9, IAG requests the application of a holding lock to prevent a transfer of Capital Notes or refuses to register a transfer of Capital Notes, it must, within five Business Days after the date the holding lock is requested or the refusal to register a transfer, give written notice of the request or refusal to the Capital Note Holder, to the transferee and the broker lodging the transfer, if any. Failure to give such notice does not, however, invalidate the decision of IAG.

#### **14.11 Delivery of instrument and evidence**

If an instrument is used to transfer Capital Notes, it must be delivered to the Registrar, together with such evidence (if any) as the Registrar reasonably requires to prove the title of the transferor to, or right of the transferor to transfer, the Capital Notes.

#### **14.12 Effect of transfer**

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under the Trust Deed and these Capital Notes Terms in respect of the transferred Capital Notes and the transferee becomes so entitled.

### **14.13 Transfer of unidentified Capital Notes**

Where the transferor executes a transfer of less than all Capital Notes registered in its name, and the specific Capital Notes to be transferred are not identified, the Registrar may register the transfer in respect of such of the Capital Notes registered in the name of the transferor as the Registrar thinks fit, provided the aggregate of the Issue Price of all the Capital Notes registered as having been transferred equals the aggregate of the Issue Price of all the Capital Notes expressed to be transferred in the transfer.

### **15.4 Non-receipt of notice by a Capital Note Holder**

The non-receipt of a notice or other communication by a Capital Note Holder or an accidental omission to give notice to a Capital Note Holder will not invalidate the giving of that notice either in respect of that Capital Note Holder or generally.

## **16 Payments, withholding and other matters**

### **16.1 Deductions**

- (a) IAG may deduct from any Distribution or other amount payable in accordance with the Capital Notes Terms the amount of any withholding or other tax, duty or levy required by any applicable law to be deducted in respect of such amount.
- (b) If any such deduction has been made and the amount of the deduction accounted for by IAG to the relevant revenue authority and the balance of the Distribution or other amount payable has been paid to the relevant Capital Note Holder, then the full amount payable to such Capital Note Holder shall be deemed to have been duly paid and satisfied by IAG.
- (c) IAG shall pay the full amount required to be deducted to the relevant revenue authority within the time allowed for such payment without incurring any penalty under the applicable law and shall, if required by any Capital Note Holder, deliver to that Capital Note Holder a copy of the relevant receipt issued by the revenue authority (to the extent issued) without delay after it is received by IAG.

### **16.2 FATCA**

- (a) IAG may withhold or make deductions from payments or from the issue of Ordinary Shares to a Capital Note Holder where it is required to do so under or in connection with FATCA, or where it has reasonable grounds to suspect that the Capital Note Holder or a beneficial owner of Capital Notes may be subject to FATCA, and may deal with such payment, and any Ordinary Shares, in accordance with FATCA.
- (b) If any withholding or deduction arises under or in connection with FATCA, IAG will not be required to pay any further amounts, issue any further Ordinary Shares on account of such withholding or deduction or otherwise reimburse or compensate, or make any payment to, a Capital Note Holder or a beneficial owner of Capital Notes for or in respect of any such withholding or deduction. A dealing with such payment and any Ordinary Shares in accordance with FATCA satisfies IAG's obligations to that Capital Note Holder to the extent of the amount of that payment or issue of Ordinary Shares.

### **16.3 Manner of payment to Capital Note Holders**

All moneys payable by IAG to a Capital Note Holder may be paid in any manner IAG decides, including by any method of direct credit determined by IAG to an Australian dollar bank account maintained by the Capital Note Holder in Australia (or in such other place as IAG approves) with a financial institution specified by the Capital Note Holder to the Registrar by the close of business:

- (a) in the case of a Distribution, on the Record Date for that payment; and
- (b) in the case of the payment of the Redemption Price, by the time determined by IAG in accordance with clause 16.11(b).

### **16.4 Unsuccessful attempts to pay**

Subject to applicable law and the ASX Listing Rules, where:

- (a) a Capital Note Holder has not notified the Registrar by the time required in accordance with clause 16.3 of an Australian dollar bank account

maintained by the Capital Note Holder in Australia (or in such other place as IAG approves) with a financial institution to which payments in respect of a Capital Note may be made; or

- (b) IAG attempts to pay an amount to a Capital Note Holder by direct credit, electronic transfer of funds or any other means under the Capital Note Terms and the transfer is unsuccessful for any reason,

the amount is to be held by or on behalf of IAG for the Capital Note Holder without bearing interest until the first to occur of the following:

- (i) the Capital Note Holder or any legal personal representative of the Capital Note Holder notifies IAG of a suitable Australian dollar bank account maintained in Australia with a financial institution to which the payment may be credited;
- (ii) claims may no longer be made in respect of that amount, in which case those moneys or equivalent securities shall become the property of IAG; or
- (iii) IAG becomes entitled or obliged to deal with the amount according to the legislation relating to unclaimed moneys.

#### **16.5 Payment to joint Capital Note Holders**

A payment to any one of joint Capital Note Holders will discharge IAG's liability in respect of the payment.

#### **16.6 Time limit for claims**

A claim against IAG for payment according to these Capital Notes Terms is void, to the fullest extent permitted by applicable law, unless made within five years of the due date for payment.

#### **16.7 No interest accrues**

No interest accrues on any unpaid amount in respect of any Capital Note.

#### **16.8 Calculations and rounding of payments**

For the purposes of completing any calculations required under these Capital Notes Terms:

- (a) all percentages resulting from the calculations must be rounded, if necessary, to the nearest ten-thousandth of a percentage point (with 0.00005% being rounded up to 0.0001%);
- (b) all figures resulting from the calculations must be rounded to four decimal places (with 0.00005 being rounded up to 0.0001); and
- (c) all amounts that are due and payable to a Capital Note Holder in respect of the Capital Note Holder's aggregate holding of Capital Notes must be rounded to the nearest one Australian cent (with 0.5 of a cent being rounded up to 1 cent).

#### **16.9 Payments subject to law**

All payments are subject to applicable law.

## 16.10 Payments on business days

If a payment in respect of a Capital Note:

- (a) is due on a day which is not a Business Day then the due date for payment will be postponed to the first following day that is a Business Day; or
- (b) is to be made to an account on a Business Day on which the Capital Note Holder's bank is not open for general banking business in the place in which the account is located, then payment to that Capital Note Holder will be made on the next day on which the Capital Note Holder's bank is open for general banking business in that place and the Capital Note Holder is not entitled to any additional payment in respect of that delay.

Nothing in this clause applies to any payment referred to in clause 8.1(b) which occurs on the relevant date as provided in clause 8.1.

## 16.11 Payments to Capital Note Holders

For the purposes of identifying the person to whom payments will be made:

- (a) in the case of a Distribution, payments will be made in accordance with clause 3.6; and
- (b) in the case of Redemption Price in respect of a Capital Note, payments will be made to the person registered as the Capital Note Holder in respect of that Capital Note as at a time determined by IAG and notified to ASX or as required by ASX.

# 17 Winding-up and subordination

## 17.1 Winding-up

If an order of a court of competent jurisdiction is made (other than an order successfully appealed or permanently stayed within 30 days), or an effective resolution is passed, for the winding-up of IAG in Australia (but not elsewhere) (a **Winding-up Event**), IAG is liable to Redeem each Capital Note for its Redemption Price in accordance with, and subject to, this clause 17.

## 17.2 Subordination

In a winding-up of IAG in Australia, subject to clause 6.4:

- (a) a Capital Note Holder (and the Trustee) shall be entitled to prove for the Redemption Price in respect of a Capital Note only subject to, and contingent upon, the prior payment in full of the Senior Ranking Creditors; and
- (b) the Capital Note Holder's (and the Trustee's) claim for payment of the Redemption Price ranks equally with, and shall be paid in proportion to, the claims of Capital Note Holders of other instruments issued as Equal Ranking Instruments,

so that the Capital Note Holder receives, for the Capital Note, an amount equal to the amount it would have received if, in the winding-up of IAG, it had held an issued and fully paid Preference Share.

### **17.3 Agreements of Capital Note Holders and Trustee as to subordination**

Each Capital Note Holder (and the Trustee, in its capacity as trustee for the Capital Note Holders) irrevocably agrees:

- (a) that clause 17.2 is a debt subordination for the purposes of section 563C of the Corporations Act;
- (b) that it does not have, and waives to the maximum extent permitted by law, any entitlement to interest under section 563B of the Corporations Act to the extent that a holder of a Preference Share would not be entitled to such interest;
- (c) that it shall not have, and is taken to have waived, to the fullest extent permitted by law, any right to prove in a winding-up or administration of IAG as a creditor in respect of the Capital Notes so as to diminish any distribution of property or assets, dividend or payment that any Senior Ranking Creditor would otherwise receive;
- (d) not to exercise any voting rights or other rights as a creditor in the winding-up or administration of IAG in any jurisdiction:
  - (i) until after all Senior Ranking Creditors have been paid in full; and
  - (ii) in a manner to defeat the subordination provided for by clause 2 and clause 17.2;
- (e) that it must pay or deliver to the liquidator or administrator any amount or asset received on account of its claim in the winding-up or administration of IAG in respect of the Capital Notes in excess of its entitlement under clause 2 and clause 17.2;
- (f) that it must pay in full all liabilities it owes IAG before it may receive any amount or asset on account of its claim in the winding-up or administration in respect of a Capital Note;
- (g) that the debt subordination effected by clause 2 and clause 17.2 is not affected by any act or omission of any person which might otherwise affect it at law or in equity; and
- (h) that it has no remedy for the recovery of the Redemption Price other than to prove in the winding-up in accordance with this clause 17.

### **17.4 Shortfall on winding-up**

If, upon a return of capital on a winding-up of IAG, there are insufficient funds to pay in full the Redemption Price and the amounts payable in respect of any other Equal Ranking Instruments, Capital Note Holders and the holders of any such Equal Ranking Instruments will share in any distribution of assets of IAG in proportion to the amounts to which they are entitled respectively.

### **17.5 No participation in surplus assets**

Capital Notes do not confer on their Capital Note Holders any claim on IAG in a winding-up beyond payment of the Redemption Price.

### **17.6 No set-off or offsetting rights**

A Capital Note Holder:

- (a) may not exercise any right of set-off against IAG in respect of any claim by IAG against that Capital Note Holder; and
- (b) will have no offsetting rights or claims on IAG if IAG does not pay a Distribution or other amount when scheduled under Capital Notes.

IAG may not exercise any right of set-off against a Capital Note Holder in respect of any claim by that Capital Note Holder against IAG.

## **17.7 No consent of Senior Ranking Creditors**

Nothing in clause 2 or this clause 17 shall be taken:

- (a) to require the consent of any Senior Ranking Creditor to any amendment of these Capital Notes Terms; or
- (b) to create a charge or security interest over any right of a Capital Note Holder or the Trustee.

---

## **18 Enforcement**

### **18.1 Enforcement by Trustee**

Subject to clause 18.2, only the Trustee may enforce the provisions of the Trust Deed or these Capital Notes Terms. The Trustee shall not be bound to take any action under these Capital Notes Terms or the Trust Deed to enforce the obligations of IAG in respect of the Capital Notes or any other proceedings or action pursuant to or in connection with the Trust Deed or the Capital Notes unless:

- (a) it shall have been so directed by a Special Resolution of Capital Note Holders or so requested in writing by the Capital Note Holders holding Capital Notes representing at least 15% of the aggregate Issue Price of all Capital Notes then outstanding; and

- (b) to give to the Trustee directions in relation to the exercise of the Trustee's powers,

or both, as so requested by the Capital Note Holders.

The Issuer will serve a copy of the request in writing on the Trustee, together with all other relevant information.

#### **1.3 Trustee's duty to call meeting**

If a Winding-up Event occurs the Trustee must call a meeting of Capital Note Holders as soon as is reasonably practicable after becoming aware of the Winding-up Event.

#### **1.4 Meeting under Corporations Act**

A meeting of Capital Note Holders may be called under Part 2L.5 of the Corporations Act.

---

### **2 How to call meeting and period of notice**

At least 10 Business Days' notice (or 15 Business Days' notice in the case of a Special Resolution) exclusive of the day on which the notice is served or deemed to be served and of the day for which it is given of every meeting is to be given to the Issuer, the Trustee and the Capital Note Holders. If the meeting is called under paragraph 1 of these meeting provisions, or the Trustee or the Issuer otherwise desires their presence at the meeting, notice of the meeting must also be given to the auditor of the Issuer.

#### **2.1 Contents of notice**

The notice must specify the place, day and hour of meeting and the general nature of the business to be transacted but it is not necessary to specify in the

notice the precise terms of the resolutions to be proposed. A copy of the notice must be sent by post to the Trustee (unless the meeting is called by the Trustee) and to the Issuer (unless called by the Issuer).

## **2.2 Amendment of notice**

The convenor of the meeting may amend or supplement the notice of meeting by any further information or materials it considers appropriate by further notice given in accordance with this paragraph at least 7 days prior to the time fixed for the meeting.

## **2.3 Omission to give notice**

A meeting is duly convened and proceedings at it are valid, notwithstanding:

- (a) the accidental omission to give notice (or any amending or supplementary notice) to, or the non-receipt of notice by, any person entitled to receive notice; or
- (b) the omission to give notice (or any amending or supplementary notice) to a Capital Note Holder whose country of residence (as shown in the Register) is outside Australia and where the giving of notice to such Capital Note Holder is not permitted by applicable law, or applicable only after compliance with conditions which the Issuer in its discretion considers unduly onerous.

## **2.4 Postal ballot**

Any meeting of Capital Note Holders may be conducted by postal ballot under such arrangements as the Issuer may determine and the Trustee approves reflecting (unless the Trustee and the Issuer agree otherwise), as closely as may be practicable, the provisions of this schedule.

## **2.5 Location of meetings**

All meetings of Capital Note Holders must be held in Australia unless the Issuer and the Trustee agree otherwise.

---

# **3 Proceedings at meeting and quorum**

The quorum for any meeting is two Capital Note Holders or proxies (or one of each) present and holding or representing Capital Note Holders holding (in aggregate) Capital Notes representing at least 5% of the aggregate Issue Price of the Capital Notes outstanding when the meeting begins. No business may be transacted at any meeting unless the requisite quorum is present at the commencement of business.

## **3.1 No quorum**

If a quorum is not present within half an hour from the time appointed for the meeting then the meeting, if called upon the request of Capital Note Holders, is dissolved. In any other case it stands adjourned to such day and time not being less than 14 days nor more than 42 days thereafter and to such place as may be directed by the Chairperson (as defined below). At such an adjourned meeting the Capital Note Holders present and entitled to vote are a quorum for the transaction of business, regardless of the aggregate Issue Price of the Capital Notes held by them.

## **3.2 Adjournment**

The Chairperson may with the consent of a Holder Resolution and must (if directed by a Holder Resolution on a poll) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. Any proxy provided to the Issuer, the Issuer's agents or the Trustee under paragraph 5 of these meeting provisions, remains valid and effective for a meeting adjourned under these provisions.

## **3.3 Chairperson**

The Trustee may nominate a person to be the chairperson (**Chairperson**) of any meeting of Capital Note Holders, who need not be a Capital Note Holder but who may be a representative of the Trustee or the Issuer or any other executive officer of or advisor to the Trustee or the Issuer. If no such person is nominated, or if at any meeting the person nominated is not present within 15 minutes after the time appointed for holding the meeting, the Capital Note Holders present may choose one of their number to be Chairperson.

## **3.4 Attendees**

No person may, except for the Chairperson, attend or speak at any meeting other than the Issuer, the Capital Note Holders and the Trustee (through their respective representatives) and their respective financial and legal advisers and the auditor of the Issuer.

## **3.5 Minutes**

The Issuer must cause minutes of every meeting to be made under section 251A of the Corporations Act, with references to "members" being read as "Capital Note Holders".

Minutes of a meeting signed by the Chairperson constitute conclusive evidence of the proceedings of the meeting.

---

# **4 Voting**

## **4.1 Voting on a show of hands or on a poll**

- (a) At any meeting a resolution put to the vote of the meeting must be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairperson, the Trustee or the Issuer or by one or more Capital Note Holders present or by attorney or proxy holding (in aggregate) Capital Notes representing at least 5% of the aggregate Issue Price of the Capital Notes outstanding when the meeting begins.
- (b) Unless a poll is so demanded a declaration by the Chairperson that a resolution has been carried or carried unanimously or by a particular majority or lost is conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- (c) Subject to the Corporations Act, the Trustee may, prior to any meeting of Capital Note Holders, appoint an independent person to count and record the number of votes cast under either voting method specified in this paragraph 4.

## **4.2 Poll**

If a poll is duly demanded under paragraph 4.1(a) it must be taken in such manner as the Chairperson may direct and the result of such a poll is deemed to be the resolution of the meeting at which the poll was demanded.

## **4.3 Conduct of poll**

A poll demanded on the election of the Chairperson or on a question of adjournment must be taken at the meeting without adjournment. A poll demanded on any other question must be taken either immediately or at such time and date (not being more than 30 days from the date of the meeting) and place as the Chairperson may direct. No notice need be given of a poll not taken immediately. The demand for a poll does not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.

## **4.4 Number of votes**

Subject to any restrictions under the Corporations Act and the ASX Listing Rules:

- (a) on a show of hands, every Capital Note Holder who is present has one vote; and
- (b) on a poll every Capital Note Holder who is present has one vote for every Capital Note with respect to which it is the registered holder.

A Capital Note Holder entitled to more than one vote need not use all its votes or cast all the votes it uses in the same way.

## **4.5 Joint Capital Note Holders**

In the case of joint registered holders of Capital Notes, the joint Capital Note Holder first named in the Register (or if that person does not vote, the next named joint Capital Note Holder) may exercise the voting rights of jointly held Capital Notes.

## **4.6 Casting vote**

If votes are equal, whether on a show of hands or on a poll, the Chairperson has a casting vote in addition to the vote or votes (if any) to which the Chairperson is otherwise entitled.

---

# **5 Proxies**

## **5.1 Instrument appointing proxy**

An instrument appointing a proxy must be in writing under the hand of the appointor or of its attorney duly authorised in writing or if the appointor is a corporation either under its common seal or under the hand of an officer or attorney so authorised.

## **5.2 Proxy need not be Capital Note Holder**

A person appointed to act as a proxy need not be a Capital Note Holder.

### **5.3 Deposit of proxy**

The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a duly certified copy of such power or authority must be deposited at such places in the relevant jurisdiction as the Trustee or the Issuer, with the approval of the Trustee, may in the notice convening the meeting direct or if no such place is appointed then at the office of the Trustee in the relevant jurisdiction not less than 48 hours before the time appointed for holding the meeting or adjourned meeting or for the taking of the poll at which the person named in the instrument proposes to vote and in default the instrument of proxy must not be treated as valid. A notice of revocation or amendment of a proxy must be received from the Capital Note Holder not less than 24 hours before the time appointed for the holding of the relevant meeting or the taking of the relevant poll to revoke or amend the proxy. No instrument appointing a proxy is valid after the expiration of twelve months from the date named in it as the date of its execution. If the Trustee convenes a meeting of Capital Note Holders, the Issuer or the Issuer's agents must as soon as reasonably practicable after receipt of the documents deposited with the Issuer under this paragraph 5, provide a copy of those documents to the Trustee.

### **5.4 Form of proxy**

An instrument of proxy may be in the usual common form or in such other form as the Issuer and the Trustee approve. A proxy is deemed to include the right to demand or join in demanding a poll. A proxy is (unless the contrary is stated on it) valid for any adjournment of the meeting as well as for the meeting to which it relates and need not be witnessed.

### **5.5 Validity of vote**

A vote given under the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or of the authority under which the proxy was executed or the transfer of the Capital Notes in respect of which the proxy is given provided that no intimation in writing of such death insanity revocation or transfer has been received by the Issuer, at its registered office before the commencement of the meeting or adjourned meeting at which the proxy is used.

---

## **6 Passing of resolutions by instrument in writing**

Notwithstanding any other provision of this document, a resolution of Capital Note Holders (including a Special Resolution) may be passed, without any meeting or previous notice being required, by an instrument or instruments in writing signed by Capital Note Holders holding the relevant proportion of the aggregate Issue Price to pass the relevant resolution and any such instrument is effective upon presentation to the Trustee for entry into the minutes referred to in paragraph 3.5 of these meeting provisions.

---

## **7 Capital Note Holders bound**

A Holder Resolution or a Special Resolution passed at a meeting of the Capital Note Holders duly called and held (or by way of postal ballot) under this schedule is binding on all the Capital Note Holders whether or not present at the meeting and each of the Capital Note Holders is bound to give effect to the resolution.

The Issuer must give notice to the Capital Note Holders, in the manner provided in clause 15 of the Capital Notes Terms, of the result of the voting on a resolution within 14 days of such result being known but failure to do so will not invalidate the resolution.

---

## 8 Interpretation

For the purposes this document, a Capital Note Holder will be taken to be present at a meeting (including an adjourned meeting) if that Capital Note Holder (being an individual) is present in person or if the attorney, proxy or (in the case of a corporation) corporate representative of the Capital Note Holder is present, and any vote cast or other action taken by the attorney, proxy or corporate representative on behalf of the Capital Note Holder in respect of any matter put before the meeting will be taken to be the vote or (as the case may be) action of the Capital Note Holder.
