

Target Market Determination

For Farm Insurance

About this document

This Target Market Determination (TMD) applies to Farm Insurance products. It covers the retail sections of Farm Insurance products. Other sections may also be available, but as they are not covered by ASIC's Product Design and Distribution Obligations and they do not form part of this TMD. The TMD seeks to offer customers, distributors and employees an understanding of the class of customers for which this product has been designed, considering their needs, objectives and financial situation.

This document is not intended to provide financial advice regarding coverage, nor does it form a part of the terms of cover. In addition to the key eligibility requirements outlined in this document, the product is also subject to acceptance criteria. Customers must refer to the Product Disclosure Statement (PDS) and any supplementary document(s), which outline the relevant terms, conditions, exclusions and insurance cover being provided under the product, when making a decision about this product.

1. Issuer

Insurance Australia Limited, ABN 11 000 016 722, AFS Licence No. 227681

2. Date from which this Target Market Determination is effective

5 October 2021.

This Target Market Determination is effective from the date shown above. This Target Market Determination will apply to policies that are purchased or renewed on or after 5 October 2021. For historical versions of this document, please contact your insurer or distributor, or refer to our website at iag.com.au/tmd.

3. Class of customers that fall within this target market

The Farm Insurance products are designed to offer choices of cover for a class of customers whose likely needs, objectives and financial situation outlined below, are aligned with the product and its key attributes and eligibility criteria.

3.1 Product description and key attributes

The Farm Insurance product can be tailored to suit the individual customer. This can be based on a choice of any combination of the following covers according to their needs: Home Buildings, Home Contents, Personal Valuables, Motor Vehicle, Boat or Personal Accident. Each cover can be tailored to suit the individual customer, based on the value of the assets they are insuring (for covers other than Personal Accident or Illness), occupation or income (for Personal Accident or Illness), options for excess, certain optional covers and premium payment arrangements.

The key eligibility requirements to purchase this insurance include:

3.4 Consistency with the target market

The insurance product including its key attributes is likely to be consistent with the likely objectives, financial situation and needs of the class of customers in the target market, as we consider that it provides the required type of insurance cover for that class of customers. This has been determined based on an assessment of the insurance product including its key attributes. Individual customers will need to consider whether this insurance product meets their specific objectives, financial situation and needs.

4. How this product can be distributed and distribution conditions

The following distribution conditions apply:

- This product is designed to be distributed by us or our distributors by any of the following means, where authorised:
 - Online through relevant websites
 - By contacting a branch or contact centre
 - In person (e.g. branch, agency or premises visit)
- This product can only be issued to people where they are eligible for that cover in accordance with the application and/or acceptance/renewal criteria that has been approved in writing by the issuer and which complies with relevant laws
- This product can only be distributed by us or distributors where we or our distributors have received training and relevant accreditation (if required) and have met annual compliance reviews.

The distribution conditions will make it likely that customers who acquire the insurance product are in the target market, as we consider that the distribution conditions are appropriate and will enable us and our distributors to direct the insurance product to the class of customers who fall within the target market set out above. This has been determined based on an assessment of the distribution conditions and the target market.

5. Reviewing this Target Market Determination

We will review this Target Market Determination in accordance with the below.

Initial review	Within three (3) years of the effective date
Periodic reviews	At least every three (3) years from the initial review
Review triggers or events	Any event or circumstances arise that would suggest the TMD is no longer appropriate. This may include (but not limited to): <ul style="list-style-type: none"> • A material change to the design or distribution of the insurance cover, including related documentation • An alteration in acceptance criteria or underwriting criteria • Systemic issues across the product lifecycle • Distribution conditions are no longer appropriate • We have determined that a significant dealing has occurred • Where applicable, feedback from distributors or customers • External events such as adverse media coverage or regulatory attention, and • Significant changes in metrics including claims, complaints and loss ratios

Where a review trigger has occurred, this Target Market Determination will be reviewed within 10 business days.

6. Reporting and monitoring this Target Market Determination

We will collect and may require our distributors to report on the following information in relation to this TMD:

Complaints	All complaints in relation to this product on a monthly basis. This will include written details of the complaints.
Sales data	Relevant sales and customer data in relation to this product on a monthly basis.
Claims data	Where relevant, claims data in relation to this product on a monthly basis.
Significant dealings	Report if we or they become aware of a significant dealing in relation to the product that is inconsistent with the TMD within 10 business days.

7. PDS to which this Target Market Determination applies

This TMD applies to the following PDS:
