

Target Market Determination

for Motor Trade Insurance

About this document

This Target Market Determination (TMD) applies to Motor Trade Insurance Products. It covers retail sections of Motor Trade Insurance products. Other sections may also be available, but as they are not covered by ASIC's Product Design and Distribution Obligations and they do not form part of the TMD. The TMD seeks to offer customers, distributors and staff an understanding of the class of customers for which this product has been designed, having regard to their needs, objectives and financial situation.

This document is not intended to provide financial advice regarding coverage, nor does it form a part of the terms of cover. In addition to key eligibility requirements outlined in this document, the product is also subject to acceptance criteria. Customers must refer to the Product Disclosure Statement (PDS) and any supplementary document(s), which outline the relevant terms, conditions, exclusions and insurance cover being provided under the product, when making a decision about this product.
