

Target Market Determination

For Single Item Insurance cover

About this document

This Target Market Determination (TMD) applies to the Single Item Insurance product. It seeks to offer customers, distributors and employees an understanding of the class of customers for which these products have been designed, considering their needs, objectives and financial situation.

This document is not intended to provide financial advice regarding coverage, nor does it form a part of the terms of cover. In addition to the key eligibility requirements outlined in this document, the product is also subject to acceptance criteria. Customers must refer to the Product Disclosure Statement (PDS) and any supplementary document(s), which outline the relevant terms, conditions, exclusions and insurance cover being provided under the product, when making a decision about this product.

A person who is able to pay premiums in accordance with the chosen premium structure, excess, fees and government charges, having regard to personal circumstances and vulnerability or hardship considerations.

Financial situation considerations:

- Ability to vary your premium by considering different levels of cover
- Ability to choose to pay your premium annually or by instalment.

3.4 Consistency with the target market

The insurance product including its key attributes is likely to be consistent with the likely objectives, financial situation and needs of the class of customers in the target market, as we consider that it provides the required type of insurance cover for that class of customers. This has been determined based on an assessment of the insurance product including its key attributes. Individual customers will need to consider whether this insurance product meets their specific objectives, financial situation and needs.

4. How this product can be distributed and distribution conditions

The following distribution conditions apply:

- This product is designed to be distributed through the following means:
 - Online through relevant websites
- This product can only be issued to people where they are eligible for that cover in accordance with the application and/or acceptance/renewal criteria that has been approved in writing by the issuer and which complies with relevant laws
- This product can only be distributed by us or distributors where we or our distributors have received training and relevant accreditation (if required) and have met annual compliance reviews.

The distribution conditions will make it likely that customers who acquire the insurance product are in the target market, as we consider that the distribution conditions are appropriate and will enable us and our distributors to direct the insurance product to the class of customers who fall within the target market set out above. This has been determined based on an assessment of the distribution conditions and the target market.
